

# Hazeldown School – ‘Super North Star’

Our ‘preferred future....’

To be an enabling environment, guided by excellence and recognised by the community.

## **This features:**

- Excellent Teaching and Support
- Excellent Outcomes for Children
- Values Driven Attitudes to Learning

## **There are:**

- Strong relationships and connections between adults and children
- A broad, rich, engaging curriculum full of memorable opportunities, driven by the children
- Equal chances for all

## **We focus on:**

- Creating unlimited opportunities and inspiring high achievement
- Development of a true Growth Mindset
- Nurturing and developing leadership talents
- Becoming a Community Hub with Pre-School, Parent Support, ‘Coffee Shop’, Agency links etc
- A connection with our community – traditional and modern
- Setting children up for life - *Learning for Living/ Head, Heart and Hands*

## **We create:**

Well rounded citizens who are curious about the world around them, who have the power to choose and to respond to change. They demonstrate self-awareness, an independent will and a creative imagination. They are not afraid to dream, are aspirational for themselves and others and become positive contributors to society. They demonstrate emotional intelligence, are innovative, resilient and demonstrate a ‘warrior spirit’ within themselves and are determined strategists in achieving their goals.
