- **AOB**

Sweets & juice stock for discos what to do with it. It has been offered already to the key worker kids from last term , Ellen emailed Stuart.

Second hand uniform stored in school, needs to be sold on - Charlie Ott is sorting through it and will aim to sell the decent items at £1 each.

Should we do the Schools Christmas card scheme again? Art Projects for Schools / Cauliflower - general consensus was that it was mainly a lot of admin for the school & PTA for not very much profit. Mel to look into, possibly the tea towel designs instead?
