2. Discos - Decision to go ahead and book for October 2021, Feb and May 2022. (with the view that they may have to be cancelled if things change again)
Mel to check dates with office and email DJ, Kevin.
3. Year 6 leavers gifts - Ellen has spoken to Emma Tapp who is currently planning on booking the Crealy trip. We will contribute £600 to costs. And keep keyrings and £5 vouchers as plan B.
4. Summer fayre / plant sale - summer fayre unlikely to go ahead in its usual form. Nadia had the idea to hold a plant sale in the staff car park on a Saturday. We could use a timed slots system, sign up to. Also ideas to combine this with activities for the kids on the same day - sticking to class bubbles - bouncy castle on the field, outdoor disco on the playground (Mel to follow this up with enquiry to Kevin). Nadia, Mel , Clare and Hannah to develop the idea. Hannah knows the booking system. Also possible sunflower seed planting for the kids / competitions in class. Ellen will check with Mane Events (bouncy castle) to see their covid policy and if it fits with school policy. Late May / early June dates.
5. Stripe account - Hannah following up the previously agreed waiver to fees.
6. Non uniform day - Ellen has arranged an April Fools, Break the Rules day for the last day of term (next Thurs). Poster done, kids can choose to break up to 4 rules from the list (50p each). School have brought their birthday celebrations day in line with this.

7. Committee members recruitment drive - desperately need new members - Ellen and Carol will be leaving at next AGM/ Oct so the Chair and Vice Chair need recruiting asap! Shadowing welcome. Little Acorns parents are welcome to join too.

8. AOB Ellen updated us on funds from Lottery so far - £676 and from Clothing bank £478 so far.

Pre loved uniform being run by Charlie Ott.

VR headsets positive feedback and thanks from Mr Evans and all teachers.

Jackie confirmed funds in the bank are £3000 approx, after allowing £600 for Yr 6, so still need to pay for pond and outdoor seating - funding requests welcome.
