## ZOOM SUMMER TERM MEETING

### MINUTES

Wednesday 30TH JUNE 2021  
7.30pm

**Present:** Ellen Palmer, Jackie Godwin, Carol Borham, Mel Donnelly, Tracey Aston, Stuart Ludford, Hannah Sweeney,

**Apologies:** Nadia Musk, Clare Hunter, Steph Gedney, Eleanor Waldock, Kit Hardee, Lee Goodenough.

1. Ellen opened up with a reminder that this was our third and final mandatory meeting of the year.

Funding requests - Sing Up subscription paid up already.

Crealey for year 6 in final week of term £756 - agreed.

Wildlife camera -for all schools use with Forest school £125 - agreed.

LH / Library requested £1500 - £2000 for new Non - Fiction, Cornerstones books, agreed.

Finally, L Heal / afterschool club requested £80 for pizza for last week of term - suggestion made that they request some equipment valued at £80 as this would be more appropriate use of PTA money.

2. Plant & uniform sale feedback - overall good feedback and something we will probably repeat. £144 raised.

3. Updates from Jackie, Treasurer: new, replacement Treasurer backed out. (Still need new volunteers for all PTA committee roles for Sept 2021.)

Online payments have been set up - and Mane Events inflatables paid for. Also - the decision whether to go for a £20 app to enable phone users to accept PTA payments at events etc, or to pay £100 for a card machine unit - £100 unit agreed on.

4. 9th July inflatables and non-uniform day. Donations will be asked for but not conditional on a child taking part - open to all classes, in bubbles, 15-20 mins each throughout the day, timetable worked out by teachers.

5. Ellen, original copy of PTA constitution to be kept at school in office, as well as on our Drive.

6. Discos - for Oct, Feb and May are provisionally booked for Fridays (as Kevin can't do Thursdays) - will see how these may be affected by the guidance that follows at end of term and possibly start of next.

7. Festival of Light - alternative to Christmas fair? We'll probably need to look at alternatives. SL concerned that it may make too much extra work for the teachers if each year group were to make their own light display - what materials would be used?

8. AOB

Future of PTA, no interest yet for replacement committee members - the next round of publicity for recruitment will be emails using photos of past fairs and events to remind parents and children of the role PTA plays in school life, how we raise the funds and where they go.

Close of meeting 8.10pm.
